NEW ERA OF ADVANCED MANUFACTURING

Join us and be a part of the largest global 3D Printing and Additive Manufacturing event series focused on innovation, manufacturing and expansion of the latest cutting-edge technologies.

This year's event is on track to have an international audience of **10,000+ attendees**, including more than **500 CEOs**, from **800 companies** and **27 countries**.

Inside 3D Printing is critical to realizing the vision of the disruptive ways in which manufacturers, engineers, software designers, investors and entrepreneurs find the innovative solutions they need to successfully compete.

Inside 3D Printing shines a spotlight on exhibitors and sponsors to an audience of influential industry leaders worldwide.

JOIN INSIDE 3D PRINTING IN SEOUL TO:

- Launch New Products, Services or Companies
- Raise Brand Awareness
- Fundraise or Source Investments
- Reach Thousands of New Prospects
- Demonstrate Company Expertise and Thought Leadership

EXPONENTIAL GROWTH IN ASIA

Inside 3D Printing exponentially grows in Asia. With consistently increasing numbers of attendees, exhibitors and sponsors since 2014, Inside 3D Printing has become the most influential 3D Printing event and one never to be missed. Industry professionals including manufacturers, architects, fashion & jewelry designers, lawyers, software developers, industrial designers, investors and entrepreneurs all gather at KINTEX to discuss the present and the future of additive manufacturing in the 21st century.
